SHORT — ONE SENTENCE

MILCONNECT.AI is an independent military benefits intelligence platform offering 105 interactive tools for veterans, service members, retirees, and military families — 26 always free, no account required.

STANDARD — SINGLE PARAGRAPH

MILCONNECT.AI is an independent, veteran-built platform that helps service members, veterans, retirees, and military families understand and maximize the benefits they've earned. The platform offers 105 interactive tools across VA disability and claims, military pay and retirement, TRICARE, GI Bill, transition planning, and family benefits. 26 tools are always free with no account required. MILCONNECT.AI is not affiliated with the U.S. Department of Veterans Affairs, the Department of Defense, or any branch of the U.S. military.

LONG — TWO PARAGRAPHS (FEATURES)

MILCONNECT.AI is an independent, veteran-built platform that helps service members, veterans, retirees, and military families understand and maximize the benefits they've earned. The platform offers 105 interactive tools across VA disability and claims, military pay and retirement, TRICARE, GI Bill, transition planning, and family benefits.

Calculators apply the VA's combined-rating math with the bilateral factor and dependent adjustments that most consumer calculators get wrong. 26 tools are always free with no account required; the rest unlock with a free account. MILCONNECT.AI does not sell user data and is not affiliated with the U.S. Department of Veterans Affairs, the Department of Defense, or any branch of the U.S. military.

VETERAN-BUILT

Leadership

MILCONNECT.AI is an independent, veteran-built platform. The executive team is being finalized; leadership will be introduced publicly as those roles are confirmed.

For interviews, background conversations, or named-source attribution, contact press@milconnect.ai. We respond to media within 24 hours and can arrange a spokesperson for on-the-record interviews. Off-the-record background, demo access, and fact-checks on benefits math or program eligibility are available on request.
